Dear Cousin I received your very welcome letter, about one week ago, and I was glad to hear from you. I am going to try to answer today but fear you will find this a very dull letter. I came out to Indian Creek on February 28<sup>th</sup>. I left White Hall at 7:20 am coming to Pgh. got a pass from Div. Ofr. and got my trunk checked in 5 minutes then caught the fast mail train came to Connellsville changed cars and came up to Indian Creek on accommodation & was in office ready for work at 10:00 am. I call this a quick transfer as the distance was about 80 miles in less than 3 hours. I have this office days as my permanent place.

This is a new office right out in the mountains, by the side of the ~~Gough~~ <sup>Gough</sup> ~~honey~~ <sup>honey</sup> River

With mountains on each side of rising from 400 to 800 feet above

This will be aaisy place to stay in this summer and is also an excellent place to fish as there is several Trout streams near here

This is the first Telegraph office below Ohio Pyle falls the great Summer Resort. if you stay in Pgh. this summer and would like to come out this way + can get a day off duty some time in June, I will arrange so you can come out to Ohio Pyle + then you can see what the mountains are like. The trains leave Pgh. so that you can leave there at 8am and get to Ohio Pyle at about 1025am + leave so you will be back in Pgh at 830 Pm.

I have not had any word from home since I came out here but have wrote 3 times. I heard Thomas Hartough was married a few day after the Event occurred. Over
